Compositive Primary, a new school serving three year olds through 5th grade, located on the Fitzsimons Innovation Campus in Aurora, Colorado, is now seeking exceptional educators to be part of the founding faculty team. Compositive Primary's mission is to educate students to live lives of personal excellence. The school is organized around the integration of four domains: cognition, character, health and well-being, and community engagement; and seeks to cultivate every child's capacity to reflect and learn, recognize and act, care and connect, and engage and serve. This integrated and personalized education places the child at the center of the learning process. Educators facilitate student growth and development and work in collaboration with each other, with families, and with the community. Curriculum is inquiry-based and thematic. The student to teacher ratio is nine to one, and classrooms will be organized in multi-age groups. Compositive Primary will be housed in a new facility currently under construction.

K-1 Resident Teacher Responsibilities:

- Contribute to a positive school culture through connections with students, faculty, and families
- Collaborate with fellow teachers and administrators to develop inquiry-based curricula that develop in students the capacity to reflect and learn, recognize and act, care and connect, and engage and serve
- Foster a positive learning environment in all areas, demonstrating dedication to instilling joy in learning for all students
- Ensure that every child feels seen and heard and has a sense of belonging
- Together with Lead Teacher, actively monitor, record, and communicate individual progress made by every child
- Collaborate and communicate effectively with parents, colleagues, and all members of the school community
- Serve as a steward for school support, managing classroom budgets and respecting resources
- Participate in all aspects of school programming and activities
- Work to uphold the mission, vision, and goals of the school
- Other duties as assigned

Qualifications:

- An unyielding commitment to upholding our guiding principles and a firm belief in our school's vision and mission
- Some teaching experience at the primary level preferred
- A bachelor's degree required
- Background in inquiry-based curriculum preferred

Competitive salary and benefits packages commensurate with experience.
